

High School Math Supply List 2020 - 2021

- ★ 3-ring binder: to be used only for math class
- ★ Dividers
- ★ College ruled paper
- ★ Graph Paper
- ★ Mechanical pencils and erasers
- ★ Colored pencils
- ★ Ruler
- ★ **Texas Instruments Scientific Calculator:** TI-30X IIS for Honors Geometry, and Algebra 2 you should already have one from last year.
- ★ **TI-84 Plus CE Color Graphing Calculator:** Honors Algebra 1, Honors Algebra 2, Trigonometry, Statistics, Pre-Calculus, and Calculus
 - If you have previously bought a graphing calculator, you do not need to buy a new one.
- ★ **Algebra 1:** Students should buy the colored graphing calculator because they will be able to use it throughout all of their high school and college math.
- ★ **Geometry:** Students will need a protractor, compass and index cards. Page protectors are optional.
- ★ **Statistics:** Students will have to have access to Microsoft Excel to create spreadsheets, charts, and for the projects we will be doing.

*Throughout the year students will be asked to bring in supplies for projects that we will be doing.
