

High School Math Supply List 2021 - 2022

- ★ 3-ring binder: to be used only for math class; We will use this for homework and activity sheets.
- ★ Spiral Notebook that has college ruled paper or you may use one that is graph paper. This should be a single subject notebook with at least 100 pages for taking notes in class. You may use a composition notebook instead of the spiral.
- ★ College ruled paper
- ★ Graph Paper
- ★ Mechanical pencils and erasers
- ★ Colored pencils
- ★ Colored Pens
- ★ Ruler
- ★ 2 reams of white copy paper
- ★ **Texas Instruments Scientific Calculator:**
 - TI-30X IIS for **Algebra 1 & Geometry**
- ★ TI-84 Plus CE Color Graphing Calculator: **Honors Algebra 1, Honors Algebra 2, Algebra 2, Algebra Functions & Data Analysis, Trigonometry, Statistics, Pre-Calculus, and Calculus**
 - If you have previously bought a graphing calculator, you do not need to buy a new one.
- ★ **Geometry**: Students will need a protractor, compass
- ★ **Statistics**: Students will have to have access to Microsoft Excel to create spreadsheets, charts, and for the projects we will be doing.

* Students may be required to bring additional supplies, should they run out.
